Debi Brazelton, Principal/Athletic Director

Refund of Participation Fees

The Mt. Angel School District and Mt. Angel Middle School will facilitate a full refund of participation fees to the student athlete if the athlete discontinues his/her participation prior to the first contest of the sport for which s/he has paid.

Participation fees are not refundable once the first contest has occurred. An athlete or his/her parent must inform the coach or the principal that the athlete will no longer be participating **before** the first contest takes place. Refunds will also not be given for an athlete who is removed from the team due to misconduct.

As the parent of _____, I understand and agree to the refund policy as it is written here.
